Complaint Handling Policy & Procedure

Update Approved by the Board: 23 August 2017

Review date: August 2019

1 Objective

Softball WA aims to provide a simple, confidential and trustworthy procedure for resolving Complaints based on the principles of procedural fairness. Any person (a Complainant) may report a Complaint about a person, people or organisation bound by this Policy (respondent) if they feel they have been discriminated against, harassed, bullied or discriminated against or there has been a breach of this Policy.

Softball WA aims to resolve Complaints quickly and fairly.

Softball WA aims to ensure that the Complaints procedure has integrity, follows the principles of Natural Justice, and is free of unfair repercussions or victimisation against the person making the Complaint.

Softball WA will take all reasonable steps to make sure that people involved in a Complaint are not victimised.

5 Complaints Handling

- 1) It is recommended that attempts be made to resolve complaints directly between the affected parties, where it is safe, reasonable and appropriate to do so, and where the complainant feels confident in direct approach, prior to reporting a complaint to Softball WA.
- 2) Club or association level Complaints:
 - a) A Complaint that relates to behaviour or an incident that occurred at an affiliated body level, or involves people operating at an affiliated body level, should be reported to and handled by the relevant affiliated body in the first instance;
 - b) If the Complaint is not satisfactorily resolved at the affiliated body level after reasonable efforts it may then be escalated as a Complaint to Softball WA at the request of either the Complainant, the Respondent, or the Affiliated body that was responsible for handling the

Complaint in the first instance;

- c) Any information made available to, or determined during, the Complaint handling process of the Affiliated Body will be supplied in a suitable form at the time the Complaint is referred as a Complaint to Softball WA.
- 3) Complaints to be handled under this Policy should be initially reported to the MPIO, and/or the CEO. If the Complaint is in relation to the CEO, or is of such serious nature it is deemed so warranted, it may instead be reported to the Chair of the Board.
- 4) Where the Complaint or allegation is of a category or type that is required under law to be reported to an appropriate authority, the MPIO, CEO (or nominee) or Chair of the Board must ensure such reporting occurs at the earliest opportunity.
- 5) All Complaints will be dealt with promptly, seriously, sensitively and confidentially, and in accordance with the principles of Natural Justice.
- 6) A Complaint may be handled informally or formally:
 - a) An informal complaint is:
 - i) suitable for quick problem solving rather than investigating and substantiating claims;
 - ii) suitable where seeking agreement and shared understanding of how to avoid problems in the future; and
 - iii) usually appropriate when:
 - (1) the allegations are less serious;
 - (2) there is a chance of quickly stopping the problem before it develops further;
 - (3) the people involved are likely to have an ongoing working relationship; or
 - (4) the desire is to highlight an organisational level or generic problem.
 - b) A formal complaint is:
 - i) suitable when required to initiate an investigation or to substantiate claims;
 - ii) necessary when seeking disciplinary action as the desired outcome; and
 - iii) usually appropriate when the allegations are more serious or complex.
 - c) Procedures for both informal complaints and formal complaints are set out in this Policy;
 - d) The Complainant should indicate whether a formal or informal approach is preferred when initially reporting the Complaint. In the absence of a clear statement to this effect from the Complainant, the Complaint is to be handled as an Informal Complaint in the first instance.
- 7) Complaints may be resolved by agreement between the parties involved with no need for disciplinary action.
- 8) Individuals and organisations may also seek that their Complaint be handled by an external agency under anti-discrimination, child protection, criminal or other relevant legislation. The CEO will provide any reasonable assistance to the Complainant in the reporting of the Complaint to such external agency.

- 9) Complaints that are not satisfactorily resolved in accordance with this Policy may be escalated to Softball Australia in accordance with the Member Protection Policy.
- 10) Disciplinary proceedings can be initiated in respect of anyone who, the CEO or Board reasonably considers or as otherwise determined through any Disciplinary Process arising from a Complaint:
 - a) has knowingly made an untrue Complaint;
 - b) has made a Complaint that is otherwise malicious or with the intent to cause distress to the respondent;
 - c) harasses or victimises any person with respect to a Complaint being reported; or
 - d) encourages another person to make an improper Complaint.
- 11) Where reasonable, statistics of all types of complaints will be recorded and reported to the Board, but containing no details in relation to specific Complainants or Respondents, to allow the Board to consider broader implications regarding strategy, policy or other implications to the operation of Softball WA.

6 Informal Complaint Procedure

Informal Complaints:

 - a) If made in writing the Complainant should clearly stipulate that the Complaint is to be handled as an informal Complaint;
- 2) The MPIO &/or CEO will provide guidance to the Complainant regarding steps, opportunities, mechanisms or actions to assist in resolving the Complaint, including exploring opportunities for, and assisting with, Mediation;
- 3) The MPIO & CEO may make and retain notes in relation to an informal Complaint, however such notes must be destroyed once the informal Complaint is resolved to the satisfaction of the Complainant;

 - e) Identify what, if any, specific outcome is being sought or desired by the Complainant from reporting the Complaint.
- 2) Will be initially assessed by the CEO or the Board, who may initiate whatever actions are deemed appropriate to resolve the Complaint in the first instance, including initiating Mediation.
 - 3) May be referred to the Disciplinary Process for further investigation and determination, as is deemed necessary by the CEO &/or Board;
 - 4) Once a formal complaint is finalised, a summary of the Complaint and the outcome must be reported for the awareness of the Board at the next scheduled Board meeting, to ensure appropriate governance and oversight of the workings of this Policy.
